

Eligibility Requirements

The Zone 3 Champions of Champions Tournament is a social event which allows the clubs/courses and the zone to recognize the outstanding players in each category and, in addition to playing for the Championship of each category, clubs may compete on a team basis.

Entrants are the Club Champion in each category from the current year's competitions (or the previous year if the event has yet to be held). In the event that the Champion is unable to attend, the club may designate an alternate - generally the runner-up in the event. Senior Men must be 55 years or older. Senior Women must be 50 years or older.

Club Team Event - a team must be composed of:

- Men's Champion or alternate
- Sr. Men's Champion or alternate
- One Junior Champion or alternative - male or female
- One Women's Champion or alternative - Women, Sr. Women, or Business Women.

The Team members must be designated prior to tee off.

It is hoped that this will make for a more inclusive and competitive event, while maintaining an enjoyable atmosphere to recognize the golfer's success of the past season.

Brian Watt
Chairman, Zone 3 Champion of Champions Tournament
