

Dear Members of Zone 3 and 4

This communication is to let you know officially that the **Zone 3 and 4 Women's Senior/Amateur Tournament** scheduled for May 11 and 12 has been cancelled. At this point it seems very unlikely that golf courses will be open and ready for business by early May. We are following the guidelines used by BC Golf and will be making a decision about each of our sponsored events thirty days in advance.

Secondly, **Team Games** scheduled for May have also been cancelled.

As you know, the situation regarding **COVID-19** is changing on a daily basis. We will be following the news and as soon as it is safe to do so we plan to continue with any planned tournaments that we had on our 2020 Schedule of Events.

We are sending caring thoughts to you and your members. May everyone stay healthy.

Sincerest regards,

Betty Clark
Chair Zone 3 Women's Committee

Ann Warrender
Chair, Zone 4 Women's Committee
