

Members of Zone 3

May 1, 2020

This communication is to advise that the decision has been made to **cancel all Team Two and Three games scheduled for the 2020 season**. The Chair of Zone 4 and I agree that **Team One** games will also be included in the cancellation.

One of the biggest reasons is travel and also, no socialization defeats the purpose of having the team games.

I have not heard from too many of the club captains on what they are doing with their leagues this year; so maybe a quick email to me at betty695@telus.net to advise what, if anything, they have decided to do, would be appreciated.

We will be looking again at the schedule in another month and at the ongoing situation regarding COVID-19, and will see where we are at going forward into June and July.

Please continue to stay healthy.
