

## Members of Zone 3

May 25, 2020

Now that the golf courses are opening, we can enjoy our game of golf; however, it is very clear that it is not 'business as usual'. We know the virus is still here and COVID-19 is having a major impact on Zone 3 and 4 events. Please read the following information BC Golf has sent out as a directive for all zones in our province.

This directive was sent by  
Kris Jonasson, CEO, British Columbia Golf

**“Effective immediately, zones are advised not to conduct any competitions within the zone.**

Failure to comply with this directive from the Provincial Health Officer may result in a golf course's ability to stay open. It may open Zone directors to personal liability as we have received advise that insurance policies we carry with respect to Directors and Officers will not cover any claims made if something were to incur. For the foreseeable future we should all be happy we can play and enjoy golf at our home courses.”

The effect for Zone 3 will be:

- See Notice 1 and 2 for previous Cancellations
- Cancellation of the Zone 3/4 Four Ball Tournament, scheduled for June 29
- Cancellation of the Women's Programs for this year (pin rounds, Beat the Champ and Dorothy Olive Franklin)

We hope you enjoy your time on your beautiful courses this Summer. If you have any questions send your questions to any one of our Executive Committee. Their email can be found at

<http://www.bcgazone3.org/women/wcommittee.html>

Please continue to stay healthy.

Betty Clark

Chair Zone 3 Women's Committee
