## Bill Mawhinney Stableford Scoring Instructions

The scoring in Stableford competitions is made by points awarded in relation to a fixed score at each hole as follows:

<b><u>Hole played in</u></b>	<b>Points</b>
More than one over fixed score or no score returned	0
One over fixed score	1
Fixed score	2
One under fixed score	3
Two under fixed score	4
Three under fixed score	5
Four under fixed score	6

The winner is the competitor who scores the highest number of points. The marker is responsible for marking the gross number of strokes at each hole where the competitor's net score earns one or more points. The score cards have been marked with the players fixed score for each hole and when that score is reached the player is finished playing that hole.

The Pace of Play is very important and players must keep up with the group in front of them. If you fail to keep pace the maximum score will be assigned for that hole and 0 points awarded.

Pace of Play Tips.

- **On Par Three's: Your group should arrive at the tee before the group in front leaves the green.**
- **On Par Four's: Your Group should arrive at the tee before the group in front reaches the green.**
- **On Par Five's: Your group should reach the tee before the group in front hits their final approach shots to the green.**

The person walking with you or one of the officials will make the final decision if you are keeping up to the group in front of you.

Remember the golf course and members have allowed us to play their course so it is very important that we repair our ball marks, fix our divots and maintain a good Pace of Play. The Pace of Play for Pitt Meadows and Peace Portal is four hours and twenty minutes.
